November 2025

In this edition:

1. Membership Renewal Instructions
2. Events in 2026

As we approach the end of 2025, please note that most regions have membership expiration dates of December 31. You should begin receiving reminder emails to renew your membership in the coming weeks. Below are step-by-step instructions on how to complete your renewal (a downloadable version with images is also attached).

Membership Renewal Instructions

1. Visit ipps.org and then select your region from the drop-down menu (*Tip: You can also go directly to your regional homepage, such as ena.ipps.org; aus.ipps.org, etc.*)
2. Click "**Login**"
3. Enter your username and password
4. After logging in, you should automatically be directed to your membership account page. *If not, click "**My IPPS**" to access it.*
5. Under "**My Memberships**", you will see a "**RENEW**" button if your membership is eligible for renewal.
 1. If instead you see "**Change**" and "**Cancel Membership**", your membership may not yet be within the 30-day renewal window, or you may be encountering a technical issue during this first renewal cycle on the new website.
 2. If problems persist, please contact your regional secretary or the International Director (directoripps@gmail.com).
 3. **Note:** Some regions offer an automatic renewal option that will charge your credit card once per year. If you would like to enroll in this feature *and your region supports it*, please select "**Change**" first and switch to the "**Individual Membership, AutoRenewal**" option before proceeding. (If you were an existing "Auto-renew" member for ERNA on the old website, this information did NOT transfer over and you will need to re-register for the auto-renew option).
6. Click "**Renew**", update your personal information, and submit your payment. Payment options are up to your region (check, credit card, bank transfer, etc.)

Thank you for renewing your membership - we look forward to another

successful year together!
